

Mr. Alberto Musso, President of Tarros Group, visited the Group new Egyptian Headquarter.

Since April 2018, **Med Egypt**, has been the official local agent of Tarros Spa in Egypt. The main office is located in Alexandria, with a few branch offices in Cairo, in order to deal with commercial activities, and in Port Said.

Today, MedEgypt, thanks to its 57 employees, is able to offer more activities related to the **Shipping**, such as **Depot**: to store all different types of Tarros empty containers, **Workshop**: to repair & maintain the equipment and finally **logistic** services: by using its own trucks

A long development process, providing also in Egypt, the usual quality of Tarros services.

**Alberto Musso, Tarros Group President:**

*"I'm very happy and glad to see what we have managed in Egypt, together our partner Hany H Rashid. Thanks to the engagement and determination of both sides, we have created an efficient system able to deal with professionalism all issues related to the container' logistics. Today Med Egypt is a point of reference for services provided to our customers in Egypt. Thank-you Hany, and thanks to all our staff"*

**Hany Abdel Rashid, Med Egypt Managing Director & CEO:**

*"It was really great honor to welcome Mr. Musso in Egypt and we would like to express our sincere appreciation to His continuous support to the Egyptian Representation of Tarros Group. The Great interest shown to the efforts made by Med Egypt Team within very short time as well as the major development in Egyptian Market. We are quite sure that after His visit Tarros Group will take our co-operation into completely different level"*

It was a good opportunity to plan new development projects between the Italian Holding and the Egyptian Headquarters.
